01 – ABOUT US

Your trusted **financial partner**

Neutron Accountants Private Limited is a Mumbai-based firm specialising in personalised accounting and taxation services, delivered by a team of efficient professionals. Alongside tax planning and advisory, we offer legal compliance and financial solutions under one roof, working with individuals, professionals, businesses of every form, trusts and NGOs, and today's digital creators.

What began in 2020 as an accounting practice was incorporated as a private limited company in 2023, and today serves 200+ clients. Our role is simple: keep your books accurate, your filings on time and your tax outgo within the law. From registering a new business to arranging finance for its growth, we take care of compliance so you can focus on running your business.
